Institute of Technology Blanchardstown Dublin, Ireland
Digital Convergence in a Knowledge Society
<http://www.itconference.ie>

The 7th Annual IT&T Conference will be held in Dublin at the Institute of Technology Blanchardstown, Ireland, on Thursday 25th and Friday 26th October 2007.

The conference welcomes technical research papers concerned with the broad scope of Digital Convergence in a Knowledge Society. Papers are invited on, but are not limited to, the following themes:

Elearning technologies
Web 2.0 and Next Generation Web
Ubiquitous and Distributed Computing
Adaptive Computing
Health Informatics
Sensor Networks
Digital Signal Processing
Network Planning
Quality of Experience and Service

Speech and Language Processing
Games and Entertainment
Computer Vision
Digital Convergence
Wired and Wireless Networks
Network Management
Security and Forensics
Open Source Developments

Authors are requested to submit papers of 6 to 8 pages (maximum 10) and posters of 4 pages maximum by 7th August 2007. Registration of papers will be open from 1st of July 2007. Details of full submission guidelines along with templates can be found on the conference website at <http://www.itconference.ie>.

N.B. Papers not following the guidelines will be rejected.
